

Secrets of the IFBB Pros: Watty Watt

Jeff Taylor I'm with Watty Watt at almost 30 people in the IFBB Pro ranks. I've gotta ask you a question. Secrets of the pros. Tell us the secrets of what the kind of car to buy when you're a top IFBB Pro.

Watty Watt When you're a top pro, what I see a lot of mistakes they do is they buy this super car or the luxury car. Which is grand and it's awesome. Not knockin' 'em. But you gotta get an old school car.

Jeff Taylor Like what?

Watty Watt You know, like in a 67 Lincoln, the 50 Merc.

Jeff Taylor You don't happen to have one of those do you?

Watty Watt I do.

Jeff Taylor I knew it!

Watty Watt A 67 Lincoln. It's got on bags...

Jeff Taylor That's a suicide doors one.

Watty Watt It's got suicide doors.

Jeff Taylor Yup!

Jeff Taylor Takes you back to in the Frank Sinatra days. That's when cool was cool. That's why you gotta do it. When you're pro you wanna be ultra-cool, oober-cool.

Jeff Taylor That's a good tip. Ladies and gentlemen, you heard it from Watty Watt.

Watty Watt What's up.
